

Moth Mask

Instructions

You will need:

- The Mask sheet copied onto thin A4 card.
- A piece of thin elastic (approx 50cm)
- Scissors
- Coloured pencils
- Hole punch/pencil
- Glue
- Collage materials (optional)
- Pipe cleaners (optional)
- Googly eyes (optional)

A Luna Moth

What to do:

- Decorate the moth mask. You could use coloured pencils, pens or collage material. Why not add pipe cleaners for proboscis (tongue) and 6 legs?
- Cut out the mask and eye holes.
- Pierce the black dots with a pencil or hole punch.
- Tie elastic through the holes - check it fits your head.
- Now flap around like a moth - head towards the light!
