

Back

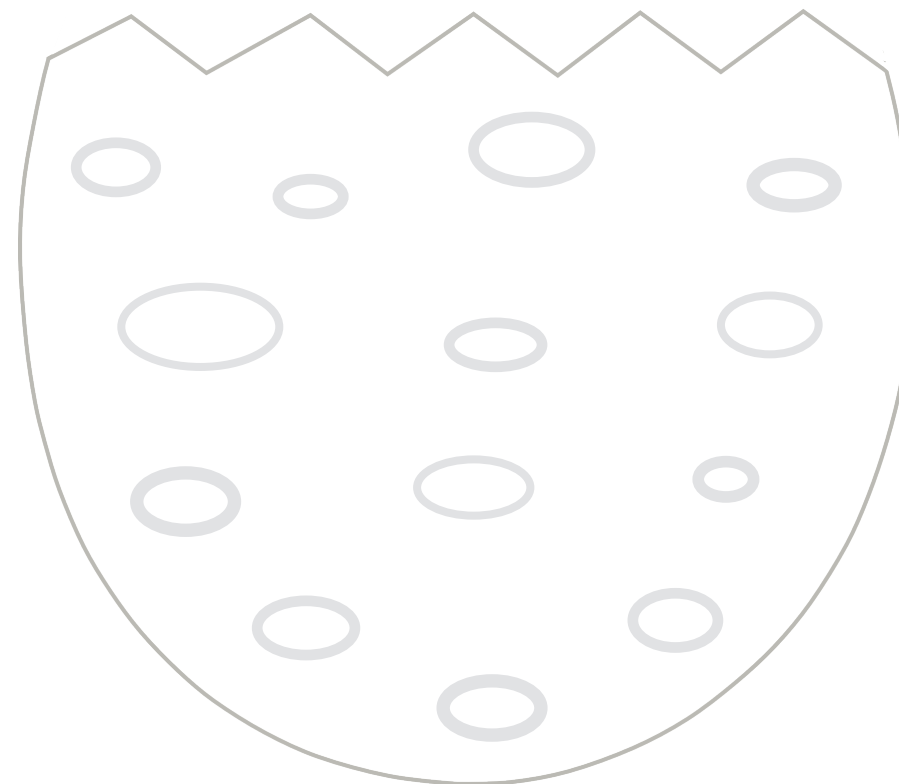

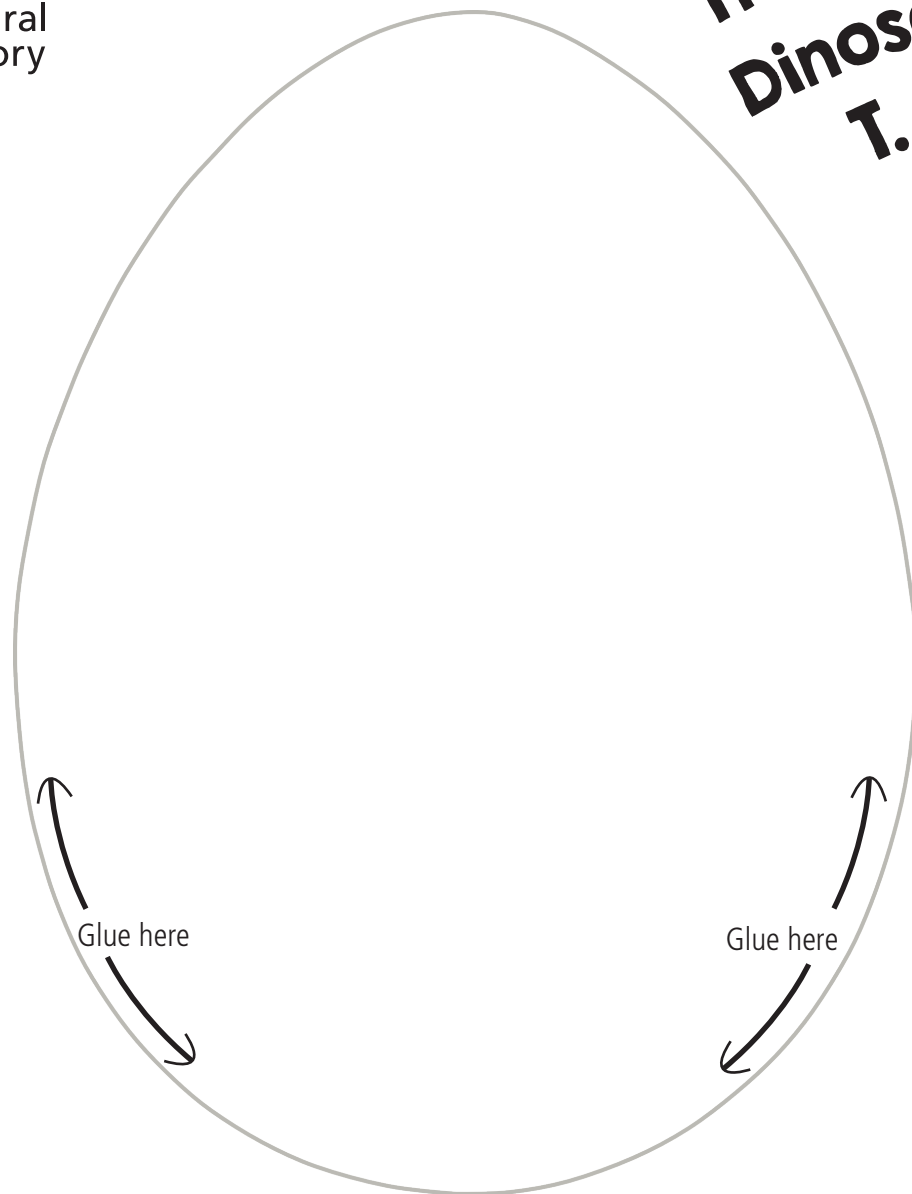

Hatching Dinosaur egg: T. rex

What you need...

Page 1

- Card to print craft onto (2 pages) - could print onto paper then stick onto card (e.g. cereal box) to stiffen
- Baby T. rex (on second page)
- Lolly stick (could use a pencil)
- Glue
- Scissors
- Sticky tape
- Colouring materials

Front pocket

Cut out this egg shape then glue along the sides (see arrows) so you can stick on your front pocket. Make sure that you leave an opening at the top and bottom of the pocket so that your baby dino can pop out!

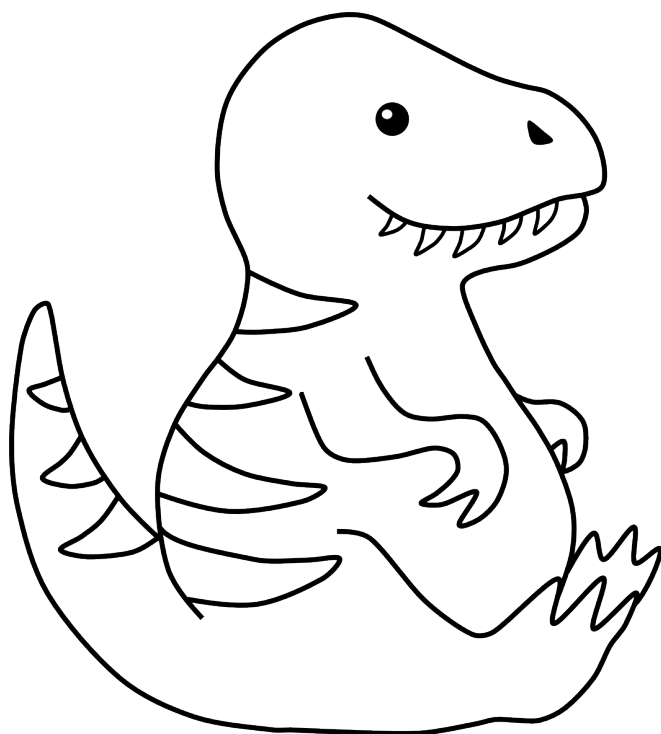

This is your front pocket to hold your baby dinosaur. Cut out then stick onto the back egg.

Hatching T. rex

T. rex means 'king of the tyrant lizards'. This menacing meat eater's short arms continue to puzzle scientists!

What you need...

- Card to print craft onto (2 pages) - could print onto paper then stick onto card (e.g. cereal box) to stiffen
- Baby T. rex
- Lolly stick (could use a pencil)
- Glue
- Scissors
- Sticky tape
- Colouring materials

How to make...

- Colour in T. rex and cut out.
- Attach a lolly stick to the back using sticky tape.
- Slot your dino into the egg's front pocket.
- Move the lolly stick up and down to make your dino pop out of the egg!
